PETERSBURG.

Horse Stolen and Recovered, But Thief Escaped—Notes.

PETERSBURG, VA., January 13.—(Special.)—A fine horse was stolen at an early hour this morning from the stable of Mr. W. T. Smith, just outside of this city, in Prince George county. The loss was discovered soon after the theft, and persons started in pursuit. The horse was subsequently recovered, but the negro who was riding him, when he found he was pursued, took to the woods. He is known, and will doubtless be captured.

The Norfolk and Western Railroad-Company is rapidly replacing its old coal gondolas with new cars of much greater capacity. In former years, when the company's shops were located in this city, the coal-cars built here had a carrying capacity of about 22,000 pounds. The new ones carry 100,000 pounds.

General-Secretary McKee, of Richmond, will deliver an address to men, at the Young Men's Christian Association, to-morrow afternoon.

The Hustings Court, which meets next week, will have a docket of ten criminal cases, besides several interesting appeals, to try. This is an unusually large docket for one usually quiet city, but it may be said that the cases have been accumulating for several months. There is one murder case on the docket, which has been there for over four years. On the 23d of November, 1895, Richard Davis, a negro, killed another negro, named Coleman Foran—the murder being without provocation. Davis disappeared and has never since been heard of by the authorities. The indictment will be kept hanging over him, and if he ever returns to Petersburg he will be arrested and tried for his life.

Several members of the Legislature, old Confederate soldiers, will attend the banquet to be given by A. P. Hill Camp on the evening of the 19th, and will deliver addresses.

CHARLOTTESVILLE.

Created Excitement—Good Showing—Officers Elected.

CHARLOTTESVILLE, VA., January 13.—(Special.)—Some excitement resulted here from the violent conduct of an itinerant "doctor," La Fonza, toward Evangelist W. P. Fife. Mr. Fife went into a barroom and shook hands with some men he found taking drinks, and expressed the desire to see them leading better lives. La Fonza launched into an abusive discourse, against which the others present protested. A warrant was sworn out and La Fonza arrested. Mr. Fife did not enter a complaint, and did not desire to have the man punished.

At the annual meeting of the stockholders of the Charlottesville Woollen Mills, the report of the president showed excellent results from last year's work, as well as very encouraging prospects for business for the present year. A 100-horse power electric dynamo has been installed at the mill, and will be in operation by the first of next month. This will supplement the present water-power, and add very materially to the capacity of the mills.

The following officers were re-elected: H. C. Marchant, president; R. P. Valentine, vice-president; L. T. Hanckel, secretary and treasurer; H. C. Marchant, R. P. Valentine, L. T. Hancke, Judge John M. White, Dr. C. H. Hedges, Judge John L. Cochran, and John C. Patterson, directors.

LOUDOUN.

Hay Burned—A Question of Paying Reward.

LEESBURG, VA., January 13.—(Special.)—Mr. E. B. White met with a severe loss at his "Selma" estate, about four miles from Leesburg, on Saturday morning. About 2 o'clock a pile of baled hay, containing at least twenty-five tons, was discovered to be on fire. It was totally destroyed, and five or six loads of fine fodder, with which it was covered, were also lost. The barn was only thirty or forty yards off, and as any tramp would have taken shelter there it is believed the fire was of incendiary origin. The hay and fodder were uninsured.

Although Mrs. H. F. Grant, formerly of Middleburg, but now of Washington, who claims to have given the detective who captured Richard Thompson, the colored man accused of the murder of H. M. Seaton, at Middleburg, information of his whereabouts, now claims the reward, it is probable it will go to Detective Boyd, who captured him. This, because, as the Washington officials say, the offer of the reward was for the arrest and delivery of the person charged with the crime, and not for information leading to his arrest. Boyd arrested him and turned him over to Sheriff Russell.

Charley Carter, son of Mr. Marshall Carter, of Aldie, died on Wednesday of typhoid-fever, after an illness of several weeks.

SEPARATE CAR BILL.

Pass the Original—The Substitute Won't Do.

BLACKSTONE, VA., January 13.—(Special.)—The people of this section are watching with great interest the bill for separate cars for white and colored people now before the Legislature, all hoping for its passage, and are glad to see the Dispatch so warmly advocate it. The substitute as proposed by Messrs. McAllister and Willard is looked upon as totally falling in prospects of accomplishing the desired results, and is as unanimously opposed by the people here.

The Junior Order of United American Mechanics held their first meeting in their new hall Friday night. The hall has been recently fitted up by the local council, and is nicely and comfortably arranged. At the meeting the following officers, who were elected at a meeting held on December 29th, were installed: Councillor, T. Freeman Epes; Vice-Councillor, R. W. Cobbs; Recording Secretary, J. J. Deshazor; Assistant Recording Secretary, T. L. Johnson; Financial Secretary, J. T. Brightwell; Warden, H. S. Smith; Conductor, C. M. Marrable; Chaplain, N. J. Crowder; Treasurer, J. O. Jackson; Inside Sentinel, M. E. Crowder; Outside Sentinel, H. L. Chapin; Junior Past-Councillor, W. L. Johnson; Trustees—T. Freeman Epes, H. O. Brightwell, and M. E. Crowder.

ALEXANDRIA.

No Interest in the Proposed School-Book Convention.

ALEXANDRIA, VA., January 13.—(Special.)—At the regular January meeting of the City School Board a report was received from the Committee on Book Reform. This committee was appointed last winter when the Alexandria School Board sent out circulars to all the school boards in the State suggesting joint action to secure school books at a less price, and changes in the books used as seldom as possible. A convention in Richmond to take action in the matter was proposed to be held during the session of the Legislature. According to the report the counties of Amherst, Brunswick, Halifax, York, Montgomery, and Clarke, with Newport News, only responded, and Montgomery alone selected delegates to the proposed convention. Owing to the inaction and apparent lack of interest displayed, the committee asked to be discharged, and introduced a resolution, which was adopted, authorizing State Senator S. R. Donohoe and Delegate Frank Hume to represent the board in case any action on the subject should be taken in Richmond.

The Edenmoor was abandoned.
