GENUINE RED SKIN BASE BALL CLUB

An independent club composed of Graduates of Carlisle Indian School.

Chas. E. Baker, the business manager, is in town making arrangements for the club to play here on Thursday, August 5, at the local Base Ball park. One feature of the game will be a war dance on the diamond before each game.

Another is the pitching of Princess Hiawatha, the only lady Indian Pitcher in the world.

Don't fail to see the parade of Indians in their feathers on the streets before each game, led by the Princess herself. The record of this club in 1903 was, won 105, lost 51, and in 1914, won 130 lost 15 games, which is a good record. The club carries two catchers and four pitchers, so as to always be in good shape to give a good account of themselves on the field. Watch their coaching in their own native tongue, another added feature of the game.

The lineup is as follows: Seymour, L. F. Bluejacket—2nd Base. Coons, C. F. Walla—3rd Base. Island—S. S. Blain—1st Base. Nottawa—R. F. Wabnum—C. Rodgers—C. Garber—P. Negake—P. Chouteau—P. Princess Hiawatha—P.

The local boys will have to play in Mid Season form to down the Red Skins on Thursday, August 5. So let us see you get out and practice some for this game and let every fan turn out and root for the home boys.

PACKER & GIDDINGS TAKE COUNTY AGENCY

Packer & Giddings have taken on the county agency for the Ford car and have been very busy the past week appointing agents so that all will be ready for the rush of Ford business August 1, at which time the new reduced price is looked for.

This county was much sought after, not only by Van Buren county men, but Ford salesmen in Detroit and Kalamazoo as well, but was offered unsolicited to Packer & Giddings by the Ford Motor Co., as they ranked highest in sales during the past season.

The Ford Motor Co. are planning to build one-half million cars next year and state that they have a selling proposition that will move that many cars. Packer & Giddings expect to place around 400 in their territory.

NOTICE

The quarterly meeting of The Double Red Cross Association of Van Buren county will be held August 3rd at the Scott Club house in South Haven. Dr. Ostrander of Kalamazoo, and others will address the association. Arrangements will be made at this meeting for a visiting nurse for the county.

BAD INDIAN ATTACKS GIRL

Covert Girl Assaulted by Indian, Wesaw Admits Guilt.

Last Friday Sheriff Beattie and his Undersheriff Andrew Lang were summoned to Covert to look for an Indian by the name of Lawrence Wesaw living near that village. Wesaw is charged with assaulting Miss Hannah Sederholm, aged 19, whom he met Friday forenoon on the road a half mile west of Covert. The young lady was returning home from the village.

The Indian met the girl in a secluded spot in the road where the banks shut off the view. He attacked her but she fought him off and her cries for help were heard before he accomplished his purpose. The frightened Indian dashed away at the approach of those summoned by the girl's screams.

The girl did not know her assailant, and could give only a vague description of him, so that the officers were obliged to lose some little time in getting on the trail. They finally satisfied themselves as to who it was, and started after their man. They located him late that afternoon and brought him to the county bastille there to wait until Monday morning when he will be granted a hearing.

Wesaw has admitted his guilt to the county officers so it is expected that he will waive examination and be bound over to the circuit court to dispose of his case at the October term.

MOONLIGHT BAIT A KILLING LURE

Not much has been said locally this season about the celebrated baits manufactured by the Moonlight Bait company of Paw Paw, but the baits are achieving great success and are used extensively in all parts of the United States and Canada. Some even being shipped to far away foreign countries. The "Outer's Book" for August contains an interesting story by E. H. Coultas entitled "The Hair-raising sport of Night Fishing for Black Bass." The author in a most interesting manner relates his experiences and tells of his wonderful catches with the No. 1 Moonlight bait, which he is pleased to call the "Plug Bait." The story is enlivened with several beautiful cuts of big bass caught with this "Plug Bait." One was a six pound and eight ounce small mouth, while still another was a six pound and fourteen ounce large mouth. Mr. Coultas pays a splendid compliment to the Moonlight bait and to night fishing.

This enterprising company have several new baits on the market this year, and have worked to capacity to keep ahead of the orders. None of the various baits however have greater popularity or are used with better success, than the original No. 1 Moonlight, which gives off a soft white glow at night and which has been used with such great success by fishermen throughout the United States.

LILLIAN RUSSELL DRAWS BIG CROWD

The Idle Hour had its every Wednesday night star cast, and this week it was Lillian Russell, the one woman who never seems to grow old. She had the part of Henrietta in "Wild Fire," which spoke for itself to the large crowd present. As we saw her in the part it was hard to believe that this woman of grace and beauty was one who had passed her 60th birthday. She has certainly found the fabled fountain of youth which Ponce de Leon so sought after.

CROWDED HOUSE TO SEE LOCAL MOVIES

The Colonial theater was crowded to the limit for three shows Wednesday evening, all anxious to see how Paw Paw people looked in a real movie, and they were not disappointed. They were there as "big as life."

The play was written by a Paw Paw woman and the plot, scenery and actors furnished here. It consisted of one reel and was very clever and much enjoyed by the appreciative audience.

About 100 members of the Presbyterian Sunday school attended their annual picnic at Three Mile lake Wednesday. They were accompanied by the High School band, who furnished music during day. A bounteous picnic dinner was also one of the chief attractions.
