TRIAL PACKAGE FREE TO ALL

MLLE. RIVA,
Famous French Contralto.

GEO. N. THATCHER,
Prominent Railway Official.

Those who are losing their hair or have parted with their locks can have it restored by a remedy that is sent free to all. A Cincinnati firm has concluded that the best way to convince people that hair can be grown on any head is to let them try it, and see for themselves. All sorts of theories have been advanced to account for falling hair, but after all, it is the remedy we are after and not the theory. People, who need more hair, or are anxious to save what they have, or from sickness, dandruff or other causes have lost their hair, should at once send their name and address to the Altenheim Medical Dispensary, 1140 Butterfield Bldg., Cincinnati, Ohio, inclosing a 2-cent stamp to cover postage, and they will forward, prepaid by mail, a sufficient free trial package of their remedy to fully prove its remarkable action in quickly removing all trace of dandruff and scalp diseases and forcing a new growth of hair.

Mlle. Riva, 149 Avenue des Champs Elysees, the famous Parisian Contralto, whose wonderfully luxuriant tresses add charm to a most bewitching personality, says: "I procured a set of the Foso remedies while touring the states, and they actually caused my hair to grow anew. We have in Paris such a bewildering array of hair dressings it seems strange we must go to the states for one that will make the hair grow. I had for several years been losing my hair, had tried everything, and was finally obliged to wear switches to keep up appearances. I am happy to say that with the Foso remedies my hair is now more luxuriant than it ever was, and am thankful to feel that it is all my own and cannot fall off to embarrass me."

Geo. N. Thatcher of Covington, Ky., a prominent railway official whose duties are very exacting, was rapidly losing all his hair. He says:

"I was getting so bald and such a shining mark for my friends that I was forced into using hair remedies. I tried a dozen or more before I ran across the Foso treatment, and am glad to say that I was well rewarded. My entire scalp is now thickly covered with long dark hair of the natural shade and I know beyond question that the Foso remedies caused this result. I do not hesitate to lend my name and influence to these thoroughly trustworthy hair growers."

Write today for a free trial package. It will be mailed securely sealed in a plain wrapper so that it may be tried privately at home.

The remedy also cures itching and dandruff, sure signs of approaching baldness, and keeps the scalp healthy and vigorous. It also restores gray hair to natural color and produces thick and lustrous eyebrows and eyelashes. By sending your name and address to the Altenheim Medical Dispensary, 1140 Butterfield Building, Cincinnati, Ohio, inclosing a 2-cent stamp to cover postage, they will mail you, prepaid, a free trial of their remarkable remedy.

ARMY RETIREMENTS.

Miles, Merritt and Brooke Would Become Lieutenant Generals.

A statement has been prepared by the adjutant general showing the number and grade of army officers who will retire for age up to the year 1914, who are affected by the proposed War Department bill for increasing the efficiency of the army, under that particular section of the bill which provides for the retirement with higher grade of all officers who served in the civil and Spanish wars.

The list includes three major generals, Miles, Merritt and Brooke, who would retire within the next four years with the grade of lieutenant general. There are sixteen brigadier generals who would retire within the next ten years with the rank of major general, including six officers of the line and ten staff officers. The list also includes seventy-six colonels, seventy-three lieutenant colonels, 103 majors, thirty-two captains and six chaplains, who would also retire in the next higher grade, making 309 officers in all. One of the majors would be retired in 1914, and his retirement would complete the retirement of all officers affected by the proposed bill. The approximate cost of this plan of retirement is $181,965.

MRS. TALMAGE'S RING.

A Colored Domestic Admits Having Stolen It.

A solitaire diamond ring, valued at $800, was stolen from the house of the Rev. T. De Witt Talmage, No. 1400 Massachusetts avenue northwest, yesterday. Detectives Weedon and Lacy arrested Robert Wilson and Blanche Wrenn, colored domestics who were employed in the house. The stolen ring was found this morning in the snow near the rear entrance to police headquarters, where it had been thrown. Wilson, the detectives allege, is the only one of the two prisoners who passed through the yard in rear of the building. Mrs. Talmage wore the ring yesterday, and when she returned home she put it in the jewel case with other jewelry. When it was certain that the ring had been stolen Dr. Talmage called on the police, and Detectives Weedon and Lacy were assigned to the case. Soon after the officers had made an investigation they went to the house of Blanche Wrenn, where Wilson also lived. Both were arrested and taken to headquarters. They denied having any knowledge of the theft. Wilson was locked up at the sixth precinct station, while Mrs. Wrenn was placed in a witness room at the first precinct. This morning the detectives renewed their work on the case, and while they were out searching for the ring Detective Bauer found it in the snow bank, as stated.

Later the detectives conversed with Wilson, who admitted his guilt. He told of the taking of the ring and of subsequently throwing it in the snow bank. A charge of grand larceny was preferred against him. After taking the ring Wilson became frightened and returned to the house to restore it, but did not get an opportunity to do so. He will be given a preliminary examination in the Police Court tomorrow. Blanche Wrenn was released.
