

LABOR MEN'S "JURY" 'ACQUITS' I. W. W. OF CENTRALIA MURDER

Real Jury Found Seven of Ten Defendants Guilty of Killing During Armistice Day Parade.

TACOMA, Wash., March 15. The "jury" of labor men appointed by various organizations of the Northwest to sit at all sessions of the trial at Montesano, Wash., of ten Industrial Workers of the World charged with the murder of four former soldiers during an Armistice Day parade returned a verdict of "not guilty." A statement which accompanied the finding, made public here today, said the "verdict" was adopted unanimously.

Seven of the defendants were found guilty by the real jury Saturday night of second degree murder after a five weeks' trial for killing Warren O. Grimm. Two who were acquitted were returned to Centralia, Wash., where the former soldiers were killed, to stand trial for the murder of Arthur McElfresh. The other

man, who was found not guilty but insane, was placed in jail here.

PLOT TO FREE PRISONER.

Surgeons at Bellevue Overhear Maher's Friends and Plot Plan.

A plot to release a patient from the prison ward at Bellevue was frustrated by surgeons today. Joseph Maher, thirty years old, was arrested on March 7 charged with killing Frederick Wallace, forty years old, janitor of Public School No. 14, at No. 225 East 27th Street. The men had quarreled and fought and Wallace's skull was fractured and Maher somewhat battered.

Surgeons in the prison ward at the hospital yesterday overheard a plot to assist Maher to escape after his discharge from the hospital to-day to be arraigned in the Yorkville Court. So Patrolman Blanken, who originally arrested Maher, was called to take him to the East 25th Street station.

BITTEN BY RAT 'SIZE OF DOG.'

Woman Attacked in Sleep by Rodent—Daughter Fears Poison.

Excitedly exclaiming that her mother, Mrs. Almida Migliaccio, sixty, who lives at No. 248 East 23d Street, had been bitten by a rat "about the size of a dog" while she slept, a woman entered Bellevue Hospital early this morning.

In search of a doctor, Dr. Howard esterized a wound on the woman's hand. Mrs. Migliaccio and her daughter placed poison yesterday about a number of rat holes in the home, and the daughter feared her mother might be poisoned.

Presenting Now the
Shoe Fashions for Spring
Pumps :: Oxfords :: Ties :: High Shoes
And Also Presenting Tomorrow an
Extraordinary Under Price Sale

COME TOMORROW and see the new Shoes for Easter and the Spring, out on dress parade and making the finest Shoe Exhibit ever made by this Store or any other that we know about.

Come also to get a share of extraordinary Shoe values that it has taken us more than a year of planning to get together for this event, new Shoes of the highest quality for less than today's wholesale market.

In Footwear fashions, mark it down for a certainty that this is to be a season of variety.

Oxfords, which were so popular last season, are to be in greater demand this year, and you will find them here in a medley of charming styles to satisfy all tastes.

Pumps, too, in the most stunning styles imaginable, are strongly in evidence, of satin, of leather, some ornamented with dainty bows; others with pearl buttons; others in the plain opera styles.

The new *Sailor Ties* are to be a factor this season, and their prettiness certainly deserves popularity.

There are the ribbon instep *Ties*, ankle strap *Ties*, instep strap *Slippers*; and other equally attractive *Sport Shoes*, in combinations of black and white and tan, are also shown.

There is a splendid range of the high *Shoes* for women who do not wear low footwear.

Pretty *Buckles* and smart *Spats* are shown in wide range. It is a wonderful display. Prices range from \$9 to \$21 a pair.

So much for the new styles in general. Now let us give word of another very interesting chapter of this opening display, the offering of
