BOXERS SENTENCED TO DIE

Death Penalty Imposed on Pao Ting Fu Officials—Questions Now Before Powers.

Goulds Will Pay Boni's Debts—Given Five Years for Arson—Predicts Famine in Russia.

Woman Robbed of Large Sum—Perishes in a Burning Building—A Football Player Paralyzed.

Pao Ting Fu, Oct. 26.—The commission of inquiry into the outrages on missionaries here has sentenced to death Tien Yang, the provincial judge; Wang Shung On, the military commander; General Kiu and two officials.

Washington, Nov. 3.—It was stated in quarters well versed in Chinese affairs that outside of the questions of indemnity, punishment, etc., now under negotiation at Peking, there are three vital and far-reaching questions to be determined, viz.: First, the removal of the emperor's dowager, personally and through the influence of her advisers, from all participation in the Chinese government; second, the creation of an indemnity fund by the increase of China's customs revenue, either by the payment of the duties in gold instead of depreciated silver, as at present, or else by doubling the present silver duties from five per cent to ten per cent ad valorem; third, the establishment of a minister of foreign affairs in place of the old and cumbersome system of the tsung-li-yamen.

DISCUSS PEACE PROPOSALS.

Foreign Ministers in Thorough Accord Up to the Present.

Paris, Nov. 3.—A dispatch to the Havas agency from Peking, dated Oct. 31, says: The foreign ministers continued today the discussion of the peace propositions to be presented to the Chinese. The foreigners' proposals were accepted. Additional specifications will be discussed Monday. On account of the necessity for thorough accord between the different cabinets the final note will not be presented for several weeks.

A French column sent to Tuen resumed the missionaries there. Another French column met with resistance at Siet Chung. The enemy's losses were considerable. The village was burned.

News received from Pao Ting Fu indicates a movement of French and German troops into Si Ling, where the imperial tombs are situated. It is rumored that the army of Yang Yuh Kante has resolved to defend the place.

As the result of inquiries made by the international commission by General Bailled, second in command of the French troops in China, the allies are convinced that the grand treasurer and the governor of Pao Ting Fu and a Chinese colonel were instrumental in the murder of American and English missionaries, and they will be executed soon.

Goulds Will Pay Boni's Debts.

New York, Nov. 3.—On the authority of "an intimate friend of the late Jay Gould," the Evening World announces that the debts of Count Boni de Castellane will be paid in full by the Goulds at once. "The scandal attending the claims amounting to \$4,700,000 against the spendthrift husband of Countess Anna is to be stopped," the Evening World adds. "A lump sum, probably will be contributed by George, Helen, Howard, Edwin and Frank Gould to wipe out these debts, as they consider the honor of the Gould family is involved. The Gould millions have nearly doubled since Jay Gould's death. The total value of the Gould estate is now over \$125,000,000."

Given Five Years for Arson.

Dallas, Tex., Nov. 3.—Hiram P. Erwin was sentenced to five years in the penitentiary here yesterday for burning what was known as the Bakins residence in this city about four years ago. The structure was valued at \$25,000 and was the property of Major I. G. Randle, who was killed by Erwin on Dec. 19, 1898. Erwin was acquitted of the charge of murder, but during the trial the arson feature developed and he was indicted for this, along with C. H. Alexander, a wealthy speculator here.

Woman Robbed of Large Sum.

Austin, Minn., Nov. 3.—Mrs. Lottie Lyons, while crossing the bridge here last night, was attacked by two men, who endeavored after robbing her of \$1,900 that she was carrying, to throw her over the bridge. Mrs. Lyons made a brave fight and finally knocked down one of her assailants. He was helped to his feet by his companion and both men escaped, carrying with them the woman's money.

Norwegian Cabinet Resigns.

Christiania, Norway, Nov. 3.—It is announced that the Councilors of State Lochon, Lohst and Thilosen have handed in their resignations to Prince Regent Gustavus. The ministry of finance has been offered to Burgomaster Arntsen, who declined the honor.

BOXERS ARE AGGRESSIVE.

Daily Tale of British Casualties is Heavy.

BURGHERS IGNORE DEFEAT.

South African Situation is Improving According to British View—London Dispatch Says Lord Roberts and Staff Will Shortly Return to England.

London, Nov. 3.—The South African situation is improving and Lord Roberts will shortly return to England with a majority of his staff. Arrangements are being made in Cape Town to send the first batch of refugees back to Johannesburg and a convention is being provided at Bloemfontein for a garrison of 7,000.

Nevertheless, the activity of the Boers continues. On Oct. 28 a commando of 300 captured a garrison of 30 men at Reddersburg, but afterward released them. Trains to the south of Pretoria are attacked by the Boers almost daily. On Oct. 24 the burghers occupied Koffeyfontein.

On the other hand General Knox has inflicted a reverse on General Dewet's forces near Parys, capturing two guns, one of them a weapon lost by the British in the Sannas post affair.

The daily tale of British casualties is heavy. During the month of October the British lost 167 killed in action, including 15 officers, 71 who died of wounds, 387 who died of disease, 22 who died of accidents and 97 captured or missing, a total almost equal to the monthly average for the duration of the war.

The Daily Express publishes sensational statements that the Boer revival is more serious than has hitherto been believed and that in consequence Lord Roberts' return is likely to be still further postponed. It says also that no considerable party of troops will return before January or February, while the regimental drafts from England will continue and 5,000 horses will be sent out.

The paper definitely declares that the Boers are well armed and abundantly supplied with ammunition and that the campaign is likely to last another six months.

In the best informed quarters, however, it is asserted that there is no ground for the pessimism of the Daily Express.

Special Election Rates.

Omaha, Nov. 3.—The Burlington and Missouri River railway makes announcement to its agents in all western territory that a special rate has been made to all voters who desire to go to their homes to vote, and this rate is only one fare for the round trip. Parties who wish to avail themselves of this special rate must present at the ticket office a certificate from the chairman of the state, county or district committee of the district in which they will vote, and statement must show that they are bona fide voters and require transportation for the purpose mentioned. This will be the best of news to thousands of voters who had feared they would lose their vote this year. The Burlington's action has been followed by similar announcement of most of the other lines in the west.

Sunday School Union Conference.

St. Paul, Nov. 3.—The annual dinner of the American Sunday School Union conference, now in progress in this city, was given last night at the Hotel Metropolitan. D. R. Noyes of St. Paul, a vice president of the union, acting as toastmaster. Yesterday's session was taken up with a discussion of "The Enlargement of the Work," the general subject being divided into four sub-topics, each dealing with some particular phase of the effort to expand Sunday school work. The conference is composed of the officers and missionaries of the northwestern district and includes the states of Iowa, Illinois, Wisconsin, Minnesota, Nebraska, North and South Dakota.

Milwaukee Again a Member.

Chicago, Nov. 3.—The Chicago, Milwaukee and St. Paul is again a member of the Western Passenger association. About two years ago it withdrew from the association because three of the Chicago-St. Paul roads, the Chicago Great Western, the Wisconsin Central and the Milwaukee and St. Louis, refused to join the association, and the Milwaukee and St. Paul claimed that its membership in the association prevented it from meeting the competition of these roads. Its real object, however, was to force the roads to join the association. Up to this time, however, it has failed to accomplish that purpose.

Morris Released From Custody.

Chicago, Nov. 3.—S. I. Morris, who was arrested two weeks ago on a charge of seeking the lives of John W. Gates of the American Steel and Wire company and W. G. Brimson, general manager of the Kansas City and Southern railway, was discharged from custody yesterday. Attorneys representing the complainants appeared in court and stated that Mr. Gates and Mr. Brimson did not care to further prosecute the case and desired the prisoner to be released.

Football Player Paralyzed.

Berkeley, Cal., Nov. 3.—Lee Calhoun Duff, subcenter on the freshmen eleven of the University of California, is totally paralyzed from the shoulders down as a result of an injury received in football practice last week. The stroke came on gradually and it was not until yesterday that the young man became helpless.

BRYAN AT WORK IN CHICAGO

Democratic Leader Addresses Large Audiences at a Number of Places.

Chicago, Nov. 3.—William J. Bryan's program in Chicago yesterday comprehended 12 speeches. The crowds that greeted him were greater than those at the meetings of Thursday. The candidate began his itinerary at Handel hall, in the downtown business district, going from there to the public library, where he spoke to an outdoor gathering of workmen. After luncheon he made two addresses in "Old Vienna" pavilion, at Sixtieth street and Cottage Grove avenue, one to the crowd in the building and the other to the throng that was unable to gain admittance. Here was the only semblance of disturbance manifested during the day. Two men in the audience asked, almost simultaneously, "How about North Carolina?" and Mr. Bryan was replying when one of the questioners insisted on asking a question concerning trusts, whereupon the crowd demanded that he be thrown out, and threatened to lynch him. Mr. Bryan insisted upon answering, however, but could not do so for some time, owing to the uproar made by the crowd in expressing its resentment toward the inquisitor. The latter was saved from violence only by police interference.

HOIST RED FLAGS.

Socialist Labor Orators Are Dragged From Their Wagons and Roughly Handled by Crowds at Chicago.

Chicago, Nov. 3.—Socialist labor orators raised the red flag in State street last night and were driven off the thoroughfare by the police, who were compelled to interfere to stop a riot. It was socialist labor night and the Debs speakers used half a dozen wagons to speak from along the street. There were frequent clashes between the speakers and the big crowds who gathered around the stands. Shortly after midnight the Socialists became bolder and red flags were raised on every wagon. The red flag was very large and in contrast was hung a flag of the United States of very small dimensions. The crowd took all this good naturedly until some of the Debs speakers began kicking at the American flag. In a moment there was confusion and along the street several of the orators were dragged from their wagons and roughly handled. The central detail police wagon was called. Sergeant Mahoney ordered the Debs wagons to leave the street and they were escorted away, followed by the police patrol. A mob of 1,000 people followed them until they disappeared in the shadows of Lake street.

Urge Debs to Withdraw.

Boston, Nov. 3.—The Globe prints an open letter to Eugene V. Debs, urging his withdrawal in favor of W. J. Bryan, the signers being Professor Parsons, president of the National Public Ownership league; B. O. Flower, founder of the Arena; Elwood Pomeroy, president of the National Direct Legislation association, and Dr. G. W. Galvin, all personal friends of Mr. Debs. The signers are all believers in the co-operative commonwealth, but are of the opinion that its advent will be hastened by Mr. Bryan's election.

Socialist Speakers Arrested in New York.

New York, Nov. 3.—Six speakers of the Socialist Labor party, who insisted on talking to an enormous crowd at Seventh street and Avenue C last night were arrested by the police. A good deal of clubbing was done by the officers, who numbered over 30. The scene about the corner for several hours was wildly exciting and the police dispersed the crowd several times. The Socialists went back to their headquarters overlooking the corner after being bailed and talked again.

Ex-Mayor W. L. Strong Dead.

New York, Nov. 3.—William L. Strong, the last mayor of the old city of New York, died suddenly shortly after midnight at his residence in this city. The illness of Mr. Strong had been kept from his political friends. It was known among his business associates in the wholesale dry goods district, but no one suspected that his condition was alarming. Mr. Strong had not been at his place of business for several days.

Goes to Federal Court.

New York, Nov. 3.—City Magistrate Flammer discharged Cornelius L. Alvord, the defaulting note taker of the First National bank, from custody yesterday. The magistrate said he was satisfied that he had no jurisdiction in the case. Alvord was allowed to leave the court room, but as soon as he reached the corridor he was rearrested by a United States marshal and taken before United States Commissioner Shields.

Cattle Killing Record Broken.

Kansas City, Nov. 3.—The Armour Packing company closed the largest month's killing of cattle yet recorded for a packing house in Kansas City. The total number of cattle killed was 67,754, as against 63,682 cattle killed in October, 1893, the largest previous month's killing. On Oct. 25 the Armour Packing company broke the world's record of cattle killing for a single day, with a total slaughter of 3,249.

Fight With the Strikers.

Wheeling, W. Va., Nov. 3.—A pitched battle occurred yesterday between the strikers at the Riverside works of the National Tube company and the men who have taken their places. Shots were exchanged and missiles thrown. Walter Davis was probably fatally injured. More trouble is anticipated.

McGOVERN KEEPS HIS TITLE

Defeats Bernstein for Featherweight Championship.

END COMES IN THE SEVENTH

Choyukhi Wins in Fourth Round on Foul From Russell at Denver—Tommy Sullivan Gets the Decision Over Young Moravatt at Chicago.

Louisville, Nov. 3.—Terry McGovern, the marvel of the prize ring, defeated Joe Bernstein of New York in the seventh round before the Nonpareil Athletic club and 5,000 people last night. The featherweight championship was involved and the battle was scheduled for 25 rounds, according to the eastern interpretation of straight Marquis of Queensberry rules. The inducement was a purse of \$3,500, of which the victor received \$2,500. George Siler was referee.

Bernstein had withstood the onslaught of the Brooklyn wonder for 25 rounds before the Broadway Athletic club in New York, April 28, 1890, and his entrance into the arena a second time to do battle with the bantam and featherweight champion of the world was characterized by confidence and determination. He had been here for several days preparing himself and was trained to the hour.

"Terrible Terry," with all the ferocity and speed for which he is noted, took his time, only occasionally sailing in to Bernstein, but when he did it was a slashing succession of blows, which appeared to be snatched from a mysterious source.

After two minutes and five seconds of the seventh round he rammed, banged and beat down his opponent. Bernstein was badly dazed and could not speak for several seconds.

The conqueror of Dixon, Erue and all the other little stars of the flat firmament had a cautious foe, with a punch in either hand, but McGovern, credited with the ability to deliver a blow harder than the average professional heavyweight, blocked, rushed and bewildered his antagonist with blows from all directions and seemingly at the same instant. Picking the winner was never a consideration. The question was: "How long will Bernstein last?"

That was the betting proposition. In the final round McGovern showed his whirlwind form and ripped killing stabs that took the steam out of Bernstein. Down Bernstein went repeatedly, the terror walking around him like a tiger. Bernstein was unable to continue after a right hook to the jaw and Referee Siler waved Terry to his corner and stopped the fight.

Choyukhi Wins on a Foul.

Denver, Nov. 3.—With blood streaming from cuts over each eye, Fred Russell, the California heavyweight, broke from a clinch as the gong sounded the close of the fourth round of his fight with Joe Choyukhi before the Colorado Athletic club last night, and put two stiff punches to Joe's body, knocking him clear through the ropes to the floor, where he remained nearly five minutes. The foul cost Russell the fight, which he probably would have won but for his inattention to the bell. His weight and great strength were too much for Joe, although the latter, even though very tired, cleverly avoided a number of knockout blows.

Sullivan Outpoints Moravatt.

Chicago, Nov. 3.—Tommy Sullivan of Brooklyn was given the decision over Young Moravatt of Chicago at the end of six rounds last night. The fighting was very even all through, but Sullivan had a clear lead on points.

HITS AT BOARD OF TRADE.

Plain Talk by Judge Vail in Bucketshop Litigation.

Chicago, Nov. 3.—Judge Vail, in open court, created a sensation by declaring that in his opinion dealing on the Chicago board of trade and dealing in one of the institutions which the members of the board of trade had stigmatized as "bucket shops" were practically the same. He stated that the same thing was called "gambling" in the bucket shops and "speculation" on the board of trade, but that both were "betting pure and simple." The reaction for these remarks was furnished in the closing of the case brought by the Central Exchange against the board of trade for an injunction to prevent the board from stopping it from receiving quotations. Judge Vail postponed a formal decision pending the submission of briefs by the contending attorneys.

Confesses Brutal Murder.

Franklin, Ind., Nov. 3.—Milton Knapp, a well known resident of White-lane, was found dead in a cornfield yesterday, his body partly eaten by hogs. The sheriff of Whiteland county arrested William Pherson. Pherson confessed to the killing. He said he had knocked Knapp down and then cut his head off with a knife. Pherson is now in jail.

James Will Recover.

New York, Nov. 3.—Charles F. Jones, the personal attendant of the late William M. Rice, who attempted to commit suicide Thursday, was visited in the hospital yesterday by Dr. Christian, who has him in charge. Dr. Christian said that Jones was very much improved.

Garrett Held for Murder.

Coffeyville, Kan., Nov. 3.—Sam Garrett was held for the murder of an other negro named Henry Taylor. The trouble began in a row over Garrett's wife.

ROOSEVELT ENDS HIS TOUR.

Visited Twenty-Four States and Made 675 Speeches.

Owego, N. Y., Nov. 3.—Theodore Roosevelt, Republican candidate for vice president, completed last night at this point one of the most remarkable campaigns ever made by a candidate of any party in the United States. In eight weeks he has visited 24 states of the union, made 678 speeches, traveled 21,200 miles, visited 585 towns and talked to what is estimated to be 3,000,000 people. This record includes more speeches, more miles traveled and more territory covered than that of all the other candidates for president or vice president of the United States of all other parties for the last 100 years, with the exception of the record made by William J. Bryan in 1896, and it exceeds Mr. Bryan's record, which was 599 speeches made and 19,000 miles covered. This wonderful campaign was finished by a two-weeks' tour of the state of New York. Mr. Roosevelt finished this tour in excellent health and good spirits and, as he said last night, "with a slightly weakened voice, but able to go on with the campaign a couple of weeks or more."

The last day included eight stops between Jamestown, in Chautauque county, and inclusive of Owego, in Tioga county.

REVIEW OF TRADE.

Unseasonable Warm Weather Continues Leading Unfavorable Feature of Business.

New York, Nov. 3.—Bradstreet's says: Unseasonable warm weather continues the leading directly unfavorable feature of distributive trade, because of the check given to retail distribution and, therefore, to re-order business in most lines of dry goods, wearing apparel and shoes. Conservatism in view of the near approach of the election is undoubtedly one element causing considerable influence. Failures naturally show expansion over the same period a year ago, but are much more favorable than in preceding years. Speculation on the various exchanges has ruled rather slow. In wheat the moving feature has been the reiteration of stories of Argentine crop damage, which was instrumental in inducing some advance, much of which was lost later.

Gerret Fort Down With Fever.

San Francisco, Nov. 3.—Gerret Fort, assistant general passenger and ticket agent of the Union Pacific railroad, who has been a guest at the Palace for several days, was yesterday removed to the Southern Pacific hospital, suffering from typhoid fever. Mr. Fort arrived here from Omaha last Tuesday. He was not feeling in the best of health, a fact which he at first was inclined to attribute to the fatigue of the overland trip.

Gilbert Carries Off Honors.

Indianapolis, Nov. 3.—Fred Gilbert won high gun again yesterday in the shooting tourney of the Limited Gun club. The shooting was at sparrows. There were eight regular events and one extra event at pigeons.
