

POSSE SURROUNDS NEGRO AT SEAFORD; ANOTHER BURNED

Armed Mob of 600 Seeks
Man Who Broke Jail
at Easton.

WILMINGTON, Del., June 22.—Isaiah Fountain, a negro, convicted for criminal assault upon a thirteen-year-old white girl in Trappe, Md., was surrounded early today in a woods near Hebron, Md., by an armed posse of approximately 600 persons. Open threats were made against his life and officials fear they will not be able to hold the posse in check should he be captured.

Fountain twice escaped from the Easton, Md., jail. He was convicted on April 19 and sentenced to be executed. A few weeks later he escaped, but was quickly captured at Seaford, Del. He got away again last Wednesday night and since then posses have been searching the countryside in all directions.

Shortly before midnight last night the posse surrounded him in a swamp near Laurel, Del., but the fugitive succeeded in breaking through the net. A short time later the negro was again cornered in the Hebron woods and he said his capture was only a matter of hours.

When the posse entered this state from Maryland it comprised only about 200 persons, but every town passed through has furnished additional members until the number has been tripled.

Burn Negro Slayer.
SAVANNAH, Ga., June 22.—Chased by infuriated citizens, officers of three counties and track hounds for the last week, Philip Gathers, the negro slayer of Miss Anna Jaudon, near Rincon, was captured yesterday near Stillson, returned to the scene of the crime near Rincon and lynched.

When it became known that the mob would take the prisoner to Rincon to put him to death the news spread and hundreds reached the scene.

The negro is said to have acknowledged his guilt.

Arriving at the point where the body of his victim lay, he was chained to a sapling, gasoline poured over him and a match applied. As the flames enveloped his body he made a powerful lunge, breaking away from the tree. At that moment hundreds of shots were sent into his body.

Girl Was Gathers' Victim.
SAVANNAH, Ga., June 22.—The crime charged to Gathers was the murder of Miss Anna Jaudon, seven years of age, who had been in Savannah and was returning home for the week end. Finding no one at the station to meet her, she failed to walk the two miles to her father's house. Her father telephoned to Savannah Monday night, why she had not come. Being told that she had taken the train for home Friday a search was instituted. The body was found in the woods near the road within 500 yards of the home. Tracks in the sand on the roadside indicated a struggle.

Posse Hunts Slayer.
MILLEDGEVILLE, Ga., June 22.—A posse, composed of scores of men from Baldwin, Wilkinson and Jasper counties, is searching the Oconee river swamps for Tom Ray, a negro, who early yesterday shot and instantly killed De Witt Faulkner, a prominent farmer of Baldwin county.

Chicago Riot Figure.
Sought Men Here to Go to Abyssinia

The self-styled "Reverend" R. D. Jones and Grover C. Redding, who figured in the race riot in Chicago Sunday, were in Washington several months ago and addressed a series of meetings in colored sections of the city for the purpose of organizing units of "The Star Order of Ethiopia." This organization planned to lead an exodus of negroes to Abyssinia to found a great Ethiopian kingdom.

Rev. C. M. Tanner, pastor of the Metropolitan A. M. E. Church, became acquainted with these men while they were in the Howard House, at 6th street and Pennsylvania avenue northwest. Redding boarded with W. H. Dabney, a colored business man, at 297 Florida avenue northwest.

Redding, according to Dabney, was a "slick talker." He was an itinerant preacher, and is believed to have come originally from Abyssinia to New York. The Abyssinian leader, it is said, claimed that Moses had "come down from Heaven and ordered him to lead the black race of the United States to Abyssinia."

Belief that Redding did not burn the American flag as charged by authorities in Chicago, was expressed today by Dr. Tanner. Dr. Tanner said that he had received authoritative information from Chicago regarding the riot, and that the affair was started because sailors saw the large, red Abyssinian flag which was carried in the parade and believed it was a flag of rebellion. The Abyssinian flag carried in the procession, Dr. Tanner said, was much larger than the American flag which was burned during the disturbance in Chicago.

The headquarters of the "Star Order of Ethiopia" is said to be in New York.

Telegram Says He Is Fraud.
CHICAGO, June 22.—State's Attorney Hoyne received following telegram from New York, signed "Black Star Line, Inc. Marcus Garvey, president":

"From newspaper reports it is apparent that one Grover C. Redding is operating in Chicago under guise of an Abyssinian and a representative of the colored people. He has often used the name of the Black Star Line Corporation in representing himself to the people."

"This man has been operating all over the United States and is a fraud. We have had cause to denounce him in many cities, recently in Boston."

R. D. Jones and his wife were released after the police were assured that they would appear at the inquest over the two dead Saturday. Jones and his wife were questioned at length and denied having taken any part in the murders.

DUBLIN POLICE ATTACKED IN THEIR AUTOMOBILE

Revolver Fire and Bombs Used.
Assistant Director Severely Wounded.

DUBLIN, June 22.—An automobile carrying Assistant Director General Roberts of the Royal Irish Constabulary, and four constables, was attacked with revolver fire and bombs when en route from the Amiens street station to Dublin Castle today. Roberts was severely wounded in the head by a revolver bullet, but is expected to live. The driver of the car was shot in both legs. No arrests have been made.

The motor was met with a fusillade of bullets when passing under a railway bridge, but the badly wounded constable driver continued on to the wheel while an uninjured companion returned the fire. After shooting had gone on for some time the assailants threw two bombs. Nothing is known as to the casualties among those who made the attack.

The spot where the car was attacked was within fifty yards of an important police station. Roberts, who was newly on the job as assistant director general, having recently been elevated from the post of county inspector, was wounded in the temple.

Mulhimer, a wealthy widow residing at the Hotel Biltmore, in May, 1919, was sentenced today to fifteen years in Sing Sing. W. & L. Correction Shoes

For Men and Women

OUR Correction Shoes are filling a long-felt want, giving wonderful satisfaction and effecting great foot relief to our patrons. Leading physicians, surgeons and chiropodists are commending them highly.

The design of this shoe is new and progressive. It is based on an expert surgical study of the anatomy and functions of the feet, and made so as to place the feet in their natural position in the shoe. With this shoe on, whether you are in standing or walking position, the weight of the body is distributed properly, and every bone, ligament and muscle is brought into correct alignment and made to do its own part of the work as nature intended.

W. & L. Correction Shoes fit the foot perfectly in every part, and especially under the arch of the instep, giving the foot the support needed to prevent falling of the arch and securely locking the heel and back of the foot in place, so that it does not slip and slide with every step—a common fault today in so many shoes.
