Paw Paw readers must come to that conclusion. It is not the telling of a single case in Paw Paw, but a number of citizens testify. Endorsement by people you know bears the stamp of truth. The following is one of the public statements made in Paw Paw about Doan's Kidney Pills.

George E. Hopkins, barber, Elm St., Paw Paw, says: "Standing so much caused my kidneys to get out of order and I had dull pains across the small of my back. My kidneys acted irregular and the kidney secretions were unnatural. Doan's Kidney Pills, procured from Longwell Bros. store soon rid me of the trouble. My back did not trouble me and I was free from any kind of kidney complaint."
