How's Your Watch?

We charge you as little as any watchmaker can, and still do honest work.

"To get the best—pays the best" applies to watch repairing with extra force. You can't afford to let any third rate tinker "monkey" with your watch. It will cost twice in the end what it would to have carried it to a man with a reputation.

A Preliminary Injunction.

Judge Sayre yesterday rendered an opinion in the case of A. P. Tyson, who prays for an injunction against the First National Bank, restraining the bank from erecting pillars in front of its building, projecting two feet in the street, and thus damaging the Tyson building. Judge Sayre held that Mr. Tyson was entitled to a preliminary injunction after bond is made.

The question of the amount of bond will be decided Wednesday at 10 o'clock. After the bond is made, the Register will issue the injunction and the case will be heard.

A bill was filed in the City Court in Equity yesterday by John F. Flournoy and Chas. B. Wilkins, as Trustees, against Georgia M. Wilkins, praying for an order of the court to sell some lands for a division.

THE PASSING THRONG.

It will be recalled that last winter the First Presbyterian Church of this city, called to its pulpit Rev. J. S. Foster of Tennessee, but formerly of Mobile. He declined the call. The following item in reference to him appeared in The Macon (Ga.) Telegraph: "Dr. J. S. Foster of Franklin, Tenn., was on yesterday unanimously called by the congregation of the First Presbyterian Church at Macon, and he will be here on the third Sunday in August to preach a sermon. The congregation feels that it has ever reason to believe he will accept the call. When he comes to preach in August he will make a thorough survey of the field, and then decide how he likes the conditions that he finds here, the city and the church congregation. From the information received relative to Dr. Foster, the congregation feels that he is eminently fitted for the work here."

Colonel William A. Handley the veteran delegate to the Constitutional Convention from Randolph complains that he is being misrepresented by some of the newspapers of the State, which report him as saying in his speech on the suffrage question that his constituents do not want fair elections. What he said was that they had never had anything but fair elections in Randolph and a man who would stuff a ballot box in that county would never see his wife and children again. He said that the whites were divided and that the negroes held the balance of power and were put up for the highest bidder and had been bought so long that it was getting "mighty expensive" to have to buy them in the frequent elections that were held and that both sides wanted to deprive the negro of the right to vote.

"That was a good speech Mr. Miller made today, in the Convention," said a Black Belt Democrat in the Exchange Hotel lobby last night. "Mr. Miller is a typical Black Belt Democrat and he knows what he is talking about. He has had much practical and personal experience and he knows that the people of all this section as well as of his own county want to stop the prevailing methods and are willing to face all odds and take any risks to accomplish it. Like the majority of the Committee and of the Convention, he feels that the white people of the country are on his side and that when they do anything to get rid of the ignorant and vicious element in our politics that all will stand by it."

Mr. H. McIntyre of LeGrand, has been very ill this summer and for many weeks did not make his regular Saturday visits to the city. He is much better and has resumed his regular visits.

Rex. W. J. Elliott returned from Fitzpatrick yesterday, where he has been engaged in a very successful revival meeting for the past week, assisted by Rev. L .M. Bradley of Greenville.

Messrs. Frank A. Gamble and B. C. Threadgill of Jasper arrived in the city last night to be present at a meeting of the Executive Committee of the Sigma Alpha Epsilar Fraternity of Alabama.

Captain Stacey's friends will regret to learn that he is quite sick at his home in Chisholm. He is a member of Troop A, which is now in camp at Mobile.

The friends of Mr. W. R. Wood will regret to learn that he is ill at his home on Perry Street, from an attack of typhoid fever.

Captain Benjamin H. Screws and Mr. David Johnston have gone to Hot Springs, Ark., to spend about two weeks.

Mr. H. P. Newnan left Sunday morning for New York, Buffalo, Niagara and Toronto.

Mr. B. F. Sharman, a well known farmer of Beulah, Lee County, is in the city.

State Senators Blackmon of Anniston and Hipp of Cullman are in the city.

Rev. George E. Brewer, State Chaplain of Convicts, is visiting Montgomery.

Hon. W. C. Tunstall has gone to Tate Springs, Tenn., for the benefit of his health

Mr. R. B. Jones, the newly appointed Tax Collector of Autauga County, was in the city yesterday.

Mr. R. A. DeBardeleben, a Deatsville business man, was in Montgomery yesterday.

Mr. E. M. Rogers, a merchant of Letohatchie, is in town.

Mr. J. W. Dantzler spent Sunday in Pensacola.

Mr. H. M. Caffey, Tax Collector of Lowndes County, is in Montgomery.

Mr. C. F. Wright of Clayton is in town.

Professor D. Gillis, a well known educator of Brewton, is in the city.

Hon. George Washington Taylor, Congressman from the First District, came to Montgomery yesterday and will remain several days.

Major C. R. Bricken returned yesterday from an extended trip to the West.

CAUGHT ON A STEAMER.

Abel Murrillo Arrested by Colombian Officials.

New York, July 29.—The Hamburg-American steamer Allegheny, which arrived here today, reported that she was held in the harbor of Savanilla, Colombia, for twelve hours. Passeners on the Allegheny reported that Abel Murillo was arrested on the ship at Savanilla and taken ashore by the Colombian authorities. Murillo protested against his arrest, claiming he was entitled to the protection of the German flag.

According to a signed statement made by three of the passengers, Murillo left the United States about four months ago on a passport signed by the Columbian Minister. He was arrested and taken to Bogota, where he was released on the understanding that he would sail for the United States on the first vessel. This Murillo did, boarding the Allegheny at Savanilla. Neither the officers of the Allegheny nor officials of the line would make any statement concerning the arrest of Murrillo.

Arturo de Brigard, Colombian Consul in this city, said today he understood Uribe Uribe had again become active and when it was learned that Murrillo, who was Uribe Uribe's secretary, was sailing on the Allegheny, General Villez of the Department of Bolivar, sent a file of soldiers on board to request Murrillo to visit him. He refused and the ship was detained. The consul said he did not think the man would be imprisoned, but simply prevented from meeting Uribe Uribe.

SCOTT WAS SUCCESSFUL.

Alabamian Admitted to the Military Academy.

West Point, N. Y., July 29.—The following candidates, among others, who reported last week, successfully passed the examinations and were today admitted to the Military Academy as cadets:

Charles C. Bankhead, Texas; Gibson T. Berry, Kentucky; Henry T. Burgin, Florida; Habey Dunwoody, at large; Charles J. Kennerty, Tennessee; Joseph L. Landry, Louisiana; Clarence K. Lyman, Hawaii; Felix W. Motlow, Tennessee; St. Clair Newbern, North Carolina; Charles L. Scott, Alabama; Herndon Sharp, Louisiana; John D. Strong, Georgia; Thos. S Roberts, Tennessee; Calvin P. Titus, at large; Bloxam Ward, Florida.

Forty-eight reported for examination. Thirty were successful; two failed; two were rejected by the Medical Board and ten alternates passed for whom no vacancies exist. The number which passed beats all records.

Titus is the young man who was the first to scale the wall at Pekin, China. Lyman of Hawaii is the first cadet to be appointed from the Government's new possessions.

The corps now numbers 464 cadets, within eighteen of the full number provided for.

See Niagara Falls

and the great Pan-American Exposition for nothing. How would you like to? It's easy. The Advertiser is going to send a school teacher, a clerk and a policeman or fireman. Free railroad ticket to Buffalo and return and $25 spending money given to each of the three lucky ones. Ask about the plan. —adv.

ALLEN MAY GET OLD JOB.

Long Would Like to Again Have His Services.

Washington, July 29.—Secretary Long will leave here Thursday for his annual vacation, the major portion of which will be spent at his home at Hingham, Mass. He probably will return to Washington during the early part of September, prior to the date when the Schley court of inquiry meets. Assistant Secretary Hackett will act as secretary.

Mr. Hackett is expected to retire from the department early in September. His successor has not yet been selected. Secretary Long would be gratified to have Governor Allen resume his duties as assistant secretary, which he relinquished when he went to Porto Rico, and it seems probable that this may follow.
