FULL TERM HIGH SCHOOL TO OPEN

Tottenville School Begins Operations Tomorrow Morning

TOTTENVILLE, Feb. 28—The full four year term high school at Tottenville as ordered by the Board of Education will be put into effect tomorrow at the Tottenville school. The entire upper floor of the school will be given over to the high school. While none of the pupils in the third and fourth year from this end of the island attending Curtis High School at St. George will not be compelled to attend the Tottenville High School anyone of their own will be welcomed at the new school. Those seven pupils who completed the two year term at Tottenville in January will come back tomorrow and the nine others making sixteen in all, will form the 3a grade of the high school.

Two new teachers will be assigned to the new school to take up the work of the third and fourth year. Nathan J. Lowe, principal of the Tottenville school for many years will have entire charge of the high and grammar school. In the establishment of the full term high school the South Shore Protective Association which was instrumental in having the school put here, has also secured a reduced commutation for school children within the zone which reaches as far north on the island as Great Kills.

It is expected that a number of pupils will take advantage of this reduced rate and come to Tottenville in preference to going to Curtis by train from the various stations between Great Kills and Tottenville. After finishing at all grammar schools with in the zone next term all pupils graduating will be compelled to come to Tottenville.

There are about 177 attending Curtis high school from this end of the island at the present time. John E. Bowe, the only member of the department of education from this end of the island presented the resolution to the board after the South Shore Association had taken up the matter and had it put through.

WOMEN LIVING IN BARN ILL WITH PNEUMONIA

TOTTENVILLE, Feb. 28.—A pitiful case where two women, a mother and daughter, were sick and destitute living in a barn in Kreischerville was called to the attention of Lieutenant Elfers of the 60th precinct station yesterday afternoon. Patrolman Kay Wilbur was dispatched to the scene and found both mother and daughter ill with pneumonia. An ambulance was summoned from the Richmond Memorial Hospital and both women were taken there. The mother, Mrs. Rosa Aundt, sixty-five years old, died shortly after being admitted to the hospital, and the daughter, Anna Aundt, twenty-four years old, is in a serious condition, according to the hospital authorities this morning.

The two women had lived in the place which is in Kruesler lane in Kreischerville, for some time. The daughter worked at the International Ultramarine Works at Rossville until she was taken ill, supporting the mother as best she could on a small salary. The mother was taken ill at first and then the daughter. When Patrolman Wilbur arrived in answer to the summons of Albert A. Meeker, who resides nearby, he found the mother in bed and the daughter sitting in a chair near a stove which had barely enough fire to keep them warm. They had no coal and the only heat was from wood that they secured in the woods and this was about exhausted. They had been ill about a week and no medical attention.

PLEASANT PLAINS

Mr. and Mrs. Edward Bradley of Jersey City, were visitors over the week end.

Mrs. Gertrude Kurble is at the Memorial hospital undergoing treatment.

Patrolman Arthur J. Romer, who has been confined to his home with illness, is improving slowly.

A daughter was born to Mr. and Mrs. Joseph Farris, of Carleton avenue, recently.

The Annadale Ladies Aid Society met with Mrs. E. J. Anderson yesterday afternoon.

The final shipment of the Homeless Child paper published in the interest of the Mission of the Immaculate Virgin, Mt Loretto, was made on Saturday.

Sharrott Brothers, proprietors of a meat market in Amboy road, have completed harvesting of ice from their pond, and have filled their ice house with twelve inch ice, finest in several years.

Leone Laudati

TOTTENVILLE, Feb. 28—The funeral for Leone Laudati, fifty years old, formerly of Pleasant Plains, was held this morning from his late residence, 863 Huguenot avenue, followed by a solemn mass of requiem at St. Joseph's church at 10 o'clock. Rev. Father Kelly officiated The interment was in St. Joseph's cemetery. Mr Laudati died Monday at the Richmond Memorial hospital He is survived by his widow and four children.

Grippe

Physicians advise keeping the bowels open as a safeguard against Grippe or Influenza.

When you are constipated, not enough of Nature's lubricating liquid is produced in the bowel to keep the food waste soft and moving. Doctors prescribe Nujol because it acts like this natural lubricant and thus secures regular bowel movements by Nature's own method—lubrication.

Nujol is a lubricant—not a medicine or laxative—so cannot gripe. Try it today.

Nujol

A LUBRICANT—NOT A LAXATIVE

TO MARRY

Banns have been published in Paris for the wedding in the French capitol of Marie Norton and Cornelius Vanderbilt Whitney. Both are socially prominent in New York.

WOMAN IS SHOT, HUSBAND HELD

Captain of Coal Barge Says Gun Went Off Accidentally, Striking Wife

TOTTENVILLE, Feb. 28—Nelson French, fifty-seven years old, captain of the coal barge Cora, lying in the cove off Rossville, is being held by the police on a charge of felonious assault and his wife Eliza French, sixty years old, is at the Richmond Memorial hospital with a bullet wound in her left breast above the heart, which he says was accidently done while he was showing a captain of another barge a thirty-two calibre revolver last night. The shooting took place in the cabin of the coal barge about 8:30 o'clock last night and it was not until 11 o'clock, nearly three hours after that the police were notified of the occurrence.

French with his wife came to the Tottenville police station about 11 o'clock and reported the shooting. Both declared that it was accidental. French told Detective Sergeant Schley of the Eight Branch Bureau, who is making an investigation that he was showing the gun to Captain Andrew Linn of the barge Hatteras lying alongside of the barge Cora when it accidently went off and the bullet entered the woman's left breast and went out of her back.

In spite of the fact that both French and Linn say that it was accidental, the former was locked up in the 65th precinct station, West New Brighton, without bail on a charge of felonious assault and Linn will be used as a material witness when wanted. An ambulance was called from the hospital and Dr. Wilder rushed the woman to that institution where it was said this morning that she would recover. French will be arraigned in court today on the charge.

TOTTENVILLE

Miss Mary A. Underhill, sister of Rev. Gilbert R. Underhill, priest of the diocese of New Jersey, gave an interesting talk at St. Stephen's rectory yesterday afternoon on the Missionary Work in the Philippine Islands, which she and her brother visited. After the talk refreshments were served.

Mrs. Charles Seeley, of Arthur Kill road is recovering from a recent illness.

John Dern, Sr., is confined to his home ill with congestion of the lungs.

Charles Muller, organist at St. Paul's Methodist church for the past several years, who resigned some time ago, completed his work Sunday and has now taken charge of the choir and organ at the Presbyterian church, Stapleton.

The supper given by the Ladies Aid Society of Bethel church at the Masonic hall last night was a huge success and a good sum realized from the affair. Many were served with supper.

A benefit theatre party will be held by Richmond Temple Pythian Sisters, at the Palace theatre tomorrow. There will be a matinee at 2:30 and two shows at night at 7 and 9 o'clock. Thomas Meighan, in "Back Home and Broke," will be the feature picture.

The Bethel Guards will meet tomorrow afternoon at 3:30 o'clock at the parsonage.

Tottenville Council, Knights of Columbus, met last night at the club house.

Funeral for Mrs. Mary F. Yetman

TOTTENVILLE, Feb. 28.—The funeral for Mrs. Mary F. Yetman, eighty years old, widow of the late Charles Yetman, who died Monday, will be held tomorrow afternoon at 2:30 o'clock from her late residence, 324 Sleight avenue. Rev. Dr. Oscar L. Joseph will officiate and interment will be in Bethel cemetery.

To Arraign Four at Carteret

CARTERET, Feb. 28.—John Halsey, James Ward, Joseph Healey and Joseph Presher, colored, will be arraigned tonight before Recorder Slugg on alleged charges of disorderly conduct.

IS FOUND DEAD AT SO. AMBOY

Michael Kenny's Body Found in Apartment—Dead Since Monday is Belief

SOUTH AMBOY, Feb. 28.—The body of Michael Kenny, believed by the police to be about eighty years old, was found dead on the floor of his three room apartment at 118 George street, late yesterday afternoon by Raymon Cusick, son of John Cusick of this city, the landlord. Young Cusick was sent to investigate the conditions of the water pipes of the building and upon reaching the house found that the family occupying the lower floor had gone on a visit, went to the upstairs rooms to inquire of Kenny the condition of the pipes of that section of the building. Cusick found the door locked and no response to his repeated knock made him a bit curious and on further investigation found the door locked with the key on the inside. He procured a ladder and peered in the front room window where he saw the man's body lying face down on the floor.

Cusick notified Acting Chief of Police Thomas Gleason, who broke the door open and at once notified Coroner Hillpot, who gave permission for the removal of the body. George Gundrum, Jr., undertaker, took the body to his morgue where it awaits the arrival of relatives. Mr. Gundrum said last evening that the man had been dead since Monday morning.

Kenny is little known in this city, having resided here only a short time. Several cards bearing the address of F. W. Apgar, 10 Cannonbury road, Jamaica, L. I., and asking that the party be notified in case of accident, were found in the clothing. Apgar was notified of the death of Kenny.

The condition of the kitchen of the deceased man led the police to believe that the man was in the act of getting ready his breakfast when he was stricken. A large pool of blood about the man's head gave rise to the opinion that the man had had a hemorrage. When he fell he narrowly escaped falling on what is believed to be a burning oil stove. Three pancakes were made and placed on a plate, while three others were burnt to a crisp on the fire.

The police were unable to find out just what business the man was or had been in. Several letters addressed to him were found by the police. One dated February 23 from a daughter, telling of a proposed trip to Havana. The postmark on the letter was Bridgeton, N. J. Another from the Sister Superior of Morris Hall. From the contents the police were of the opinion that the man had tried to gain admission to that institute. Another from a Metuchen Realtor, advising Kenny that he was in a position to sell him lots in that place. Three bank books with substantial balances were also found. Besides one in the First National Bank of this city, there was one of the Jamaica Savings Bank and the Emigrant National Bank of New York City.

One of the letters was addressed to Kenny at Keyport where it is understood he had resided previous to his coming to South Amboy.

SPOTSWOOD

A meeting of the borough council will be held tonight.

Samuel Shapiro was a New Brunswick visitor yesterday.

Mrs. E. Johnson, of Matchaponix road visited friends in New York on Monday.

Clifford Egerton spent Monday here as guest of friends.

Mr. and Mrs. Theodore Eger entertained out of town friends last night.

CASE IS PUZZLE

The rights of an unborn child against provisions of the legal code is the question puzzling Minnesota authorities. Julia Churchill, above, was given freedom, after arrest, on condition she leave the state. Now she has returned asking permission to marry Melvin O'Loughlin, serving sentence for burglary. She pleads the right of her expected baby.

CANTATA FOR WOODBRIDGE

WOODBRIDGE, Feb. 28.—The choir of the Trinity Episcopal church are hard at practice on the Lenten cantata, "Gallia" by Gounod, which they will sing at the Palm Sunday afternoon service on March 25. The service will be held at 4 o'clock.

The leader of the choir has announced that Mrs. Reginald Crowell has been secured as soloist for the cantata. Mrs. Crowell is an artist of exceptional merit.

CARTERET COAL ACTION TAKEN

Acute Fuel Crisis Practically Ended by Efforts of Mayor Mulvihill

CARTERET, Feb. 28.—The acute fuel crisis which has existed in the borough for more than two months practically ended last week, when at the personal solicitation of Mayor Thomas J. Mulvihill three cars loaded with anthracite coal were unloaded here for immediate delivery. It was not until Mayor Mulvihill communicated with the fuel administrator and subsequent pleas to the coal companies that sufficient fuel was marked for shipment to Carteret.

When the situation was at its worst, Mr. Mulvihill took steps to secure whatever quantity of coal he could, to relieve the situation. Two car loads of coal were delivered over two weeks ago for distribution among those in dire need.

To facilitate distribution of coal among the needy the local police force has been enlisted to aid in coping with the situation. Word to any of the police officers or at headquarters brought an instant response. These steps were a result of numerous pleas sent to the mayor direct, when local dealers declared that they had no fuel on hand.

While the schools of the borough were threatened at one time to be closed for lack of fuel, this action however, was averted when the members of the Board of Education at a special meeting authorized the purchase of coal at a profiteering price, said to have been the highest ever paid in the borough.

A marked decrease in the consumption of coal was noted in the last two days with the fair weather in rule, the police say.

KEASBEY

A combined meeting of the boards of fire commissioners from Fords, Keasbey and Hopelawn, is scheduled for tonight at 8 o'clock, in the bank building, Fords. Efforts will be made to adopt the proposed plan of Auditor George W. Wood, in connection with the indebtedness of the old original fourth fire district.

The Girls Friendly Society of St. John's Episcopal church met at the home of Miss Mamie Eggertson last night.

The regular weekly card games in the firemen's tourney will hold an attraction for those interested at the fire house tomorrow night.

Mrs. William Romer and daughter Frances were out of town visitors last night.

PHONOGRAPHS AND RECORDS

ROAD BUILDING FOR METUCHEN

Construction Work Will be Started Shortly on Essex Ave., State Highway

METUCHEN, Feb. 28—Preliminary preparations for resumption of construction work on the state highway, Essex avenue, have been noticed during the past few days, and the contractor expects to make an active start on the job about the first of March.

During the past week a force of men have been employed in the installation of cross drains between Lake street and the Highbridge. With these drains in place and the removal of all obstructions along the road during the cold weather, the way is now clear for the necessary excavating and placing of curb forms at the earliest possible date.

Equipment is arriving daily for use in rebuilding the gravel track bridge, and the road building equipment and mixing plant have been completely overhauled in preparation for the spring time rush.

Comparatively little work remains to be done on that portion of the road west of Highbridge as the concrete foundation was all placed before the arrival of freezing weather. The remaining work on that portion of the road consists of the laying of about one mile of warrenite on the northern portion of the road, the installation of curbs and gutters to the borough line and the building up of the shoulders from the borough line westward.

MATAWAN WANTS CITY MAIL DELIVERY SYSTEM

MATAWAN, Feb. 28:—Free mail delivery for Matawan borough seems to be an assured fact, according to the information given to the council last night. The question, however, is whether or not Matawan will have the village or city mail delivery system. Postmaster Forman R. Thompson informed the council that for the past four days an inspector has been at the local office investigating conditions prior to starting a delivery system here. The inspector recommends the village system for the borough.

Mr. Thompson pointed out that the village system means that the man employed as carrie. receives $900 a year to start, does not wear a uniform and does not deliver parcel post matter. Under a city system the postman receives $1,200 a year to start, is in uniform and delivers all mail matter, including parcel post. In order to have a city delivery system a town must do a postal business of more than $10,000 per year and have a population of at least 2,500. Mr. Thompson reported that the postoffice was doing more than the required $10,000 worth of business and that the only drawback seemed to be in the fact that the population is 2,250.

The matter was placed in the hands of Attorney J. R. Lefferts, who is to go to Washington, D. C., if necessary in order to obtain the system required by the borough.

PORT READING

Michael Coppalo of Little Falls, N. Y., is visiting his mother this week.

Miss Josephine Casale and her sister Mary were out of town visitors last night.

Mrs. Nicholas Sullivan entertained a group of friends at her home on West avenue on Monday night. Among the guests were the Misses Katherine Murray, Kate McGettigan, Mary Thompson of Port Reading, Miss Nellie Coughlin and Miss May Sullivan of Carteret and Almira Simonsen of Sewaren.

R. G. Harrington of Sargent Transportation Line, visited here on business yesterday.

Miss Johanna McNulty was an out of town visitor yesterday afternoon.

Oriole 9 Organized

The Oriole light junior baseball team of this city has been organized Martin Virgillo is manager and R. Sardone, T. Virgillo, P. Rasmussen, F. Sardone, R. Rotella, Publican Marsicano, M. Virgillo, T. Rasmussen, J. Campion and I. Mazursky will play with this team. Association and school teams will be played by the Orioles this summer.

"FOR MOTHER"

Some coal comes from the Ruhr mines—enough to supply the homes of the miners. Here is the son of a miner in Bochum carrying a packet of coal to his home from the mine. Natives are most hostile in Bochum.
