

NIGHTHOUSE SALE PUT OVER

Assemblyman Vaughan Confers With Riordan About Sale of Property

TOTTENVILLE, Jan. 8.—Assemblyman William L. Vaughan representing the second assembly district that includes this end of the island home from Albany where he attended the inauguration of Governor Smith and the opening of the 1933 assembly, has become interested in the plan of taking over the government property at Seguin's Point, Prince Bay, on the Red Bank light house, for park purposes. While in Albany he met Congressman Daniel J. Riordan, representing this district, and talked the matter over with the representative with regard to the purchase of the property by the city of New York.

Murray, president of the Board of Aldermen, and Borough President John A. Lynch, named some time ago by the Board of Estimate, are also in conference with the assemblyman at the Hotel Ten Eyck at Albany.

The sale of the property was scheduled to take place today but since has been postponed until January 14. It is being handled by President Lynch has already introduced a resolution into the Board of Estimate which if adopted will make the property one of the seaside parks of the borough of Richmond. The resolution provides that the ancient buildings be preserved in their present state. They were constructed in 1862 and are of red sand stone. Although having witnessed the force of many gales which have swept the coast the buildings are in a good state of preservation in the extension of time for the sale by the government this will give the city plenty of time to get data to be presented to the Board of Estimate for the purchase.

STATE SCHOOL BOARD MEETS

Creation of New Physical Education Department is Voted Down—Plan Conference

TRENTON, Jan. 8.—The recommendation of Mrs. Edward L. Katzenbach, member of the State Board of Education from this city and chairman of the board's committee on hygiene and health, to create a new department of physical education in the state's school supervisory system, with three new positions at \$6,000, \$5,000 and \$2,500 a year respectively, raised a storm of protest at Saturday's meeting of the board here, and provoked heated discussion which did not subside for about one and one-half hours.

There is already a department of physical training with Dr. G. R. Seibert, of New York City, at the head of it. The new department was to be called the department of physical education and would consist of a medical doctor as director of health administration at \$6,000 a year, a supervisor of physical education at \$5,000 a year and a supervisor of health instruction at \$2,500 annually. The proposed department was to be in conjunction with the state health board to secure a higher standard of health among New Jersey's school children.

John P. Murray of Jersey City, who was in charge of the report, said: "I want to know whether this is the creation of another swivel-chair job," said Murray.

ALL DEPARTMENTS OF CITY INCLUDED—NAME COMMITTEE FOR FIRE DEPARTMENT

SOUTH AMBOY, Jan. 8.—Following on his recommendations that all departments of the city government be investigated, Mayor Daniel Chase, has appointed two committees of three members each, one to investigate the police department and the other the fire department. The police investigation committee consists of John Sutter, Donald W. Reed and George Gundrum, Sr. The committee for the investigation of the fire department consists of: Patrick F. Kenah, Frederick Delbert and N. N. Pies.

NAME COMMITTEE FOR FIRE DEPARTMENT

In his communication to the members of the police committee Mayor Chase says: "You are hereby appointed a mayor's committee to consider the South Amboy Police department in all its aspects and to report to me how and to what extent the operating expenses of this department can be reduced."

NAME COMMITTEE FOR FIRE DEPARTMENT

In touching on the fire department question, some of the department is in an extremely dilapidated condition. The fire apparatus of late, due to the financial condition of the city, has been neglected. Two companies are self sustaining and have purchased their own apparatus and in one instance built their own fire house. Some of the companies on the other hand, are without fire equipment at all.

NAME COMMITTEE FOR FIRE DEPARTMENT

The investigation of the committee into fire matters and its report is awaited with interest by the firemen. Since the question of efficiency is being considered, it is understood that among the recommendations that will be submitted to Mayor Chase will be that of cutting down the force to twenty men per company. Whether or not any recommendations for fire engines will be embodied in the report is not known.

NAME COMMITTEE FOR FIRE DEPARTMENT

The floating equipment attached to the battalion is the largest of its kind in the state and when the repairs and alterations are made, there will be no organization as fully equipped as the local outfit.

Tanlac Ended Indigestion, Soothed Ruffled Nerves and Restored Strength, Declares Mrs. Conlin

"The splendid results I got from Tanlac make me feel very grateful," declared Mrs. John Conlin, residing at 4 Davis St., East Newark, N. J. "During the last six months I was terribly run down from indigestion and suffering dreadfully from stomach trouble. I lost all desire for food, for after eating I would bloat with gas so fearfully the pains were almost more than I could stand. My nerves were all unstrung. I could get no restful sleep and morning found me so tired out it was only with the greatest effort I could do my housework."

"Soon after I started taking Tanlac my appetite improved wonderfully. I now have no trouble after eating, everything goes with me and the tired, run-down feeling has disappeared. My nerves are calm. I sleep soundly and have so much strength my housework is easy. I think that it is splendid for anyone suffering like I did."

Tanlac is sold by all good druggists. Over 35 million bottles sold.—Adv.
