

SEVENTEENTH YEAR

BEATRICE NEBRASKA THURSDAY EVENING JULY 12 1900

NUMBER 157

LONDON IS STILL IN DOUBT

Not Inclined to Believe Reports That Legation Officials Are Still Alive—Possibly a Trick of Prince Tuan.

Gloomy View Taken Regarding the Safety of Foreigners in Peking—Allies Are Hard Pressed at Tien Tsin.

Train Held Up in Kentucky—South Omaha Stock Yards Record Broken—Woman Charged with Arson.

LONDON, July 12.—The Chinese situation again bears a most ominous aspect. Eighteen days ago Sir Robert Hart dispatched his last message, declaring that the situation was desperate, and since then no word has come from the Europeans in Peking. According to the Daily Mail's Shanghai correspondent, Li Hung Chang has received an imperial decree ordering his immediate departure for Peking, presumably to break the news of the Peking tragedy to the European powers and in his usual role of negotiator with Europe in difficult matters to endeavor to act as mediator and to avert the vengeance of the powers.

To add to the grimness of this suggestion, all advice from Tien Tsin tend

one necessity for immediate measures on the part of the powers.

It is stated that Germany intends to send to China 10,000 to 15,000 troops, well equipped with guns.

Elsewhere referring to the desire to protect the legations still unharmed, it says:

"If it is impossible for us to continue this protection let it be represented to the powers that we must be held blameless for the anger of our people grows with the rising of each sun that sees more and yet more foreigners and soldiers come to overrun and lay waste our country and slay our people."

The correspondent says the edict is intended to pave the way for a final lifting of the veil over the recent history of Peking.

Chinese Defeat Allied Troops. LONDON, July 12.—The Express publishes a dispatch from Tien Tsin, dated last Friday, saying: "General Ma has defeated the allied forces and reoccupied the Chinese eastern arsenal, after inflicting great loss upon its defenders. The engagement lasted six hours, and was fought with great determination by both sides. The Chinese were eventually able to utilize the effective guns of the fort abutting on the city walls near the Tao Tai's yamen, the allied troops suffering severely from lack of heavy guns and cavalry. The Japanese commander sent an appeal to hurry reinforcements, as the allies were in imminent danger of a general defeat."

Chinese Burn Nin Chwang. TIENTSIN, July 5.—The late chief of police of Port Arthur has arrived here. He reports that the Chinese have sacked and burned Nin Chwang. The foreign residents were escorted on board steamers by guards from the Russian garrison Ovatjny.

INDIANS IN SULLEN MOOD. Nation's Wards Do Not Look With Favor Upon Attempts to Civilize Them.

SOLEWAY, Minn., July 12.—The blanket Indians at Red Lake are in a sullen mood and trouble is feared. The government is erecting a \$50,000 school at that point and these Indians seriously object to any attempts to civilize them. They have refused annuities from the government for a number of years, claiming that the government has not given them their just portion of the Indian money. White settlers near the reservation are arming themselves and gathering together, fearing an attack. Arms and ammunition have been sent from Soleway and a call will probably be made for state troops. The Indians are holding war dances nightly.

St. Louis Strike Situation. ST. LOUIS, July 12.—A statement of the position of the local street railway strikers, reviewing the strike since its inception, was given to the public yesterday. In the closing paragraph the statement declares that in the opinion of the union a fair settlement of the strike cannot be obtained while M. L. Bannhoff remains in the position of general manager. Cars are running on all the lines about as usual, but it is noticeable that the number of wagons and other vehicles carrying passengers has increased during the past two days.

Ex-Congressman Peters Nominated. TOPEKA, July 12.—Ex-Congressman Marion S. Peters of Kansas City was nominated for congressman here yesterday by the fusion convention for the Second Kansas district. His closest opponent was ex-Governor John R. St. John. The Democrats and Populists each had 73 delegates in the convention.

A gentleman recently cured of dyspepsia gave the following appropriate rendering of Burns' famous blessing: "Some have meat and cannot eat, and some have none that want it; but we have meat and we can eat—Kodol Dyspepsia Cure be thanked." This preparation will digest what you eat. It instantly relieves and radically cures indigestion and all stomach disorders. C. A. Jackson Co.

Forty-four years Dr. Fowler's Extract of Wild Strawberry has been curing summer complaint, dysentery, diarrhoea, bloody flux, pain in the stomach, and it has never yet failed to do everything claimed for it.

HITS MODERN WOODMEN.

Society Seriously Affected by Order of Nebraska Insurance Commission. LINCOLN, July 12.—The insurance commission of the state of Nebraska has thrown a bomb shell into the ranks of the fraternal insurance societies of the state by issuing an order summarily suspending from work in the state all companies of this character chartered by the state of Illinois. This action is taken as a result of discrimination against Nebraska societies by the insurance department of the state of Illinois and it is expected to result in the licensing of Nebraska companies by the Illinois commissioner.

The company to be affected in the greatest degree by this order is the Modern Woodmen of America. At present there is hardly a town which is not represented by a camp of the society. As a result of the present order every person who solicits members for any of these societies will be guilty of a misdemeanor punishable by fine and the work of the six deputies in the state is suspended. Besides the Modern Woodmen, the Royal League, the Home Forum and several other smaller societies are affected.

Iowa Woman to China. CLINTON, Ia., July 12.—All Iowa is interested in the fate of Dr. Eliza E. Leonard of Belle Plaine, who went to China as a missionary six years ago under the auspices of the missionary society of the Presbyterian church, with the intention of remaining there eight years. She has a brother, Dr. J. A. Leonard, who also resides at Belle Plaine. Up to a few weeks ago her brother and friends had heard from her regularly, but a few weeks ago her letters ceased to arrive and nothing has been heard from her since and there is great anxiety felt for her by her relatives and friends. She has been stationed at Peking ever since she arrived in China, being engaged in the practice of medicine in the missions of that city.

Find Body of Suicide. STORM LAKE, Ia., July 12.—The body of a suicide has been found after a disappearance of 34 days. A farm hand named Webber had been in the service of a prominent Sac county farmer, John Wise, for the past year. He was last seen alive June 3, and though the pond was dragged and a diligent search was made by his friends, no trace could be found of him since that date until Saturday, when his body was discovered by harvesters in the tall grain. A revolver lay alongside of it and the location of the wound indicated that he had committed suicide.

Lightning Kills Iowa Woman. FORT DODGE, Ia., July 12.—A young woman, Miss Jennie Vanusky, was struck by lightning and instantly killed while in her bed, at Rippey last night. She had recently gone to Rippey to act as housekeeper for some family there, and but little can be ascertained of her family. From papers found around her belongings she is supposed to have come from Rippey and at last reports the authorities of Rippey were endeavoring to learn of her family.

Iowa Widows Scolded. PERRY, Ia., July 12.—Mrs. Schrader, a shrewd swindler who figured some time ago in some frauds upon northern Iowa, is alleged to have succeeded in working two widows for \$100 each in this city. Mrs. Mary Moschell and her daughter, Mrs. Shaw, were the victims. It is said she received their signatures to notes, pretending that the signatures were only for identification at the bank. Officers are in search of her.

Survey Notes Are Lost. FORT DODGE, Ia., July 12.—The work of surveying the route of the new Fort Dodge and Southwestern railroad, which was recommissioned last fall and winter under the direction of Mitchell Vincent of Onawa, promises to have been time wasted, through the loss of the field notes, which contained all the results of the work.

TELEGRAMS TERSELY TOLD. Albert B. White was nominated for governor by West Virginia Republicans.

J. F. Pickelheimer has been arrested at Middleboro, Tenn., on the charge of bigamy. It is alleged he has seven wives.

Severe cold weather and snowstorms are reported to have occurred in the Bavarian Alps. At Oberammergau snow fell three days.

The secretary of the navy has selected as names for the six new submarine boats the following: Grampus, Shark, Pike, Porpoise, Adder and Moccasin.

General Simon Bolivar Backner, who was General Palmer's running mate on the national Democratic ticket in 1896, has come out against the nomination of a ticket this year.

The 11th annual convention of the Young People's Christian union of the Universalist church opened at Atlanta, Wednesday, with 500 delegates present from almost every state in the union.

It is announced that President Loubet signed a decree appointing General Voyron, who distinguished himself in the Madagascar campaign, commander of the expeditionary corps for China.

Rev. Dwight Gallup, pastor of St. Paul's Episcopal church of Newark, N. J., was found dead in the bathroom of his parsonage Wednesday, aged 39 years. Rev. Mr. Gallup went to the front in the Spanish-American war as chaplain of the Ninth regiment.

Franz Wunderrlich, the burglar who recently entered the house of Count Eulenbarg, at Berlin, and after taking the count's stole jewelry, money and a watch valued at \$5,000 marks, was Wednesday sentenced to six years and seven months in the penitentiary.

At last it is settled that the United States will be suitably represented in the world's championship bicycle races in Paris next month. They stand so far as made up, will consist of Tom Cooper of Detroit, Floyd McFarland of San Jose, Cal., and Orlando Stevens of Ottumwa, Ia.

ALL NIGHT SESSIONS.

Fusion Conventions at Lincoln Practically Deadlocked.

TICKET HAS NOT ASSUMED SHAPE.

Democrats, Populists and Silver Republicans Put in the Time Listening to Speeches—Bryan and Towne Deliver Brief Addresses.

LINCOLN, July 12.—Nebraska fusionists, represented by the Democratic, Populist and Free Silver Republican parties, are in a practical deadlock over apportionment of offices to the different parties, with prospects that an agreement will not be reached until afternoon. The Democrats demand two places on the ticket, treasurer and attorney general, and the Free Silver Republicans one. Populists are willing to concede the minority parties but one place on the ticket, and are emphasizing their stand against a resolution allowing the Democrats the office of attorney general only.

The Populist convention at 1:30 this morning, by a rising vote, sustained the action of its conference committee in refusing to grant the Democrats but one place on the ticket and instructed it so to report to the other conventions. Amid tremendous cheering, Mr. Towne addressed the Populist convention for about ten minutes, concluding with an eloquent tribute to Adlai E. Stevenson. Just as he concluded, W. J. Bryan entered the building and for two minutes the convention was wild with enthusiasm. When the delegates quieted down Mr. Bryan made a short address.

Allen Wields the Gavel.

The Populist convention was called to order by Chairman Edmiston, with 1,800 delegates present. Chairman Edmiston in his address urged that the delegates work in unity in the interests of the reform forces. His reference to William J. Bryan as "that noble man, that free man, who represents the interests of common humanity," was enthusiastically cheered. Nominations were then in order for temporary chairman and the radical and conservative elements at once clashed. M. F. Harrington, representing the radical element of the party, Senator W. V. Allen and ex-Lieutenant Governor Harris were nominated, but the latter withdrew. After considerable debate the roll call was ordered, resulting: Allen, 639; Harrington, 455. Senator Allen, on taking the chair, made a plea for harmony and conservatism.

A motion to make the temporary organization permanent was carried. Then followed another wrangle over the selection of the usual committee on conference with the Democrats and Silver Republicans, the far western counties, where the middle-of-the-road movement is strong, insisting on the selection of the committee by congressional districts instead of leaving the appointments to the chair. This motion finally prevailed. After the announcement of the committees on platform and rules and order of business the six congressional districts elected members of the conference committee.

The convention then took a recess until 8 p. m., pending the report of the committees.

The platform adopted by the Populists reaffirms the Sioux Falls platform and devotes several planks to state issues. It does not fall in line for Bryan and Stevenson, but adheres to and endorses the original ticket of Bryan and Towne.

Democratic Convention. It was noted by the Populist chairman Hall of the Democratic state central committee rapped for order and introduced as temporary chairman T. J. Doyle of Lincoln. Chairman Doyle made an address of some length. His incidental reference to William J. Bryan brought out the first hearty applause of the convention. Following the appointment of a committee on credentials and an unsuccessful effort to take a recess of an hour, W. D. Oldham of Lincoln and R. S. Bibb of Beatrice addressed the convention. Mr. Bibb four years ago repudiated the free silver plank of the Democratic national convention and supported Major McKinley. His speech served to announce his reversion to the principles of Democracy. S. F. Fleehy also spoke.

The temporary organization of the Democratic convention was made permanent. Chairman Thompson of the committee on resolutions reported the platform. It reaffirms the declarations of the national convention at Kansas City, comments fusion in the election of United States senators, members of congress and state officers, and pledges the nominees of the convention to an economical administration of state affairs.

Silver Republicans. The Free Silver Republicans organized by electing George Hibner of Lincoln temporary and then permanent chairman, and after appointing a committee on conference took a recess.

The first note of discord among the Silver Republicans came when Delegate Ransom offered a set of resolutions approving the reported withdrawal of Charles A. Towne as a candidate for vice president in favor of Adlai E. Stevenson. Protests came from all over the hall and the resolutions were withdrawn. Mr. Towne, who was present, practically announced his intention to withdraw, but adding that he would take as active a part in the campaign and work as hard for the success of the ticket as if he was a candidate.

The resolutions as finally adopted endorse the Kansas City Silver Republican platform and recite that in accordance with the action taken at that convention the Free Silver Republican party of Nebraska pledges its support to W. J. Bryan and Adlai E. Stevenson for president and vice president.

ROBBERS HOLD UP A TRAIN.

Express Safe Is Blown Open and Ten Thousand Dollars Secured.

PADUCAH, Ky., July 12.—The Illinois Central fast train from New Orleans to Chicago was held up and robbed yesterday two miles south of Wickliffe, Ky. The train was flagged and when it stopped the bandits entered the cab. The fireman, J. J. Frye, was struck on the head with the butt of a revolver and badly hurt. The robbers, six in number, cut off the engine and express car and ran a mile and a half to Fort Jefferson, near the Ohio river and within sight of the Missouri shore. Here they blew the express safe and secured all the valuables it contained and crossed into Missouri. They dropped one package containing \$700 on the Kentucky side and another package on the Missouri side, both of which have been recovered. The robbers did not attempt to molest the passengers.

A special train with bloodhounds and an armed posse left Jackson, Tenn., for the scene and it is understood Missouri officers are hot on the robbers' trail. About \$10,000 was secured in addition to the money dropped by the robbers.

No Delay in Powers Case.

GEORGETOWN, Ky., July 12.—Judge Cantrell yesterday overruled the motion for a continuance in the case of former Secretary of State Caleb Powers. The remainder of the day was taken in sparring between the attorneys over preliminary matters. The work of selecting a jury was begun. It is generally predicted that the greater part of the present week will be consumed in this task.

Broke Stock Yards Record.

OMAHA, July 12.—Tuesday's phenomenal run of live stock at the South Omaha yards broke all records. Previous to this time the largest number of cars received in any one day was 510, on June 12, 1900. Receipts figured up Tuesday 531 cars, or 37,178 head of cattle, hogs, sheep and horses, which raises the record considerably.
