Men praise the golden rule anew,
Each always tries to keep his own
And get the other fellow's, too.

Thirty Years Ago.

The following interesting facts were contained in The True Northerner in its issue of January 19, 1872:

By a vote of ten to six the board of supervisors resolved "that it is the opinion of the board that the county seat should be removed to some more central point in the county."

A resolution was offered to locate it at Lawrence. Various amendments were offered on which six supervisors voted in favor of Breedsville, five for Bangor, six for Grand Junction and two for Decatur. The board adjourned and the original resolution did not come to a vote. South Haven was not mentioned.

REMARKABLE CURE OF CROUP.

A Little Boy's Life Saved.

I have a few words to say regarding Chamberlain's Cough remedy. It saved my little boy's life and I feel that I cannot praise it enough. I bought a bottle of it from A. E. Steere of Goodwin, S. D., and when I got home with it the poor baby could hardly breathe. I gave the medicine as directed every ten minutes until he "threw up" and then I thought sure he was going to choke to death. We had to pull the phlegm out of his mouth in great long strings. I am positive that if I had not got that bottle of cough medicine, my boy would not be on earth to day.—JOEL DEMONT, Inwood, Iowa. In Justice Court.

BEFORE JUSTICE ROWLAND.

On Monday last, Charles H. Showers and Sheldon Coleman, Lawton druggists, were arraigned before Justice Rowland, charged with having violated the local option law by selling whisky to a person in the habit of getting intoxicated. They gave bail for their appearance and their examination was set down for Tuesday next. There is another case pending against them in which the charge is selling liquor to a minor. In this latter case the examination was begun last Tuesday. After several witnesses had been sworn the case was adjourned for one week.

On the 24th day of December last, before Justice Rowland, Billy Hand pleaded guilty to having been drunk and disorderly and was sentenced to 20 days' imprisonment. He had hardly been released from jail before he repeated himself. He was again brought before the same magistrate charged with a second offense and again entered a plea of guilty. The 'squire informed him that second offenses came higher and gave him 40 days, and at the same time reminded him that twice 40 is 80 and advised him to keep sober when he should again breathe the air of freedom. Billy took the advice kindly, promised to try and profit by it and retired smiling to his old quarters.

BEFORE JUSTICE MASON.

On complaint of William W. Sweet of Lawrence before Justice Mason a warrant was issued for the arrest of John L. Shoemaker and William Shoemaker on a charge of assault and battery. William was discharged; John L. pleaded guilty and was sentenced to pay a fine of $1.00 and $9.35 costs or 10 days in jail. He paid.

Aching Joints

In the fingers, toes, arms, and other parts of the body, are joints that are inflamed and swollen by rheumatism—that acid condition of the blood which affects the muscles also.

Sufferers dread to move, especially after sitting or lying long, and their condition is commonly worse in wet weather.

"It has been a long time since we have been without Hood's Sarsaparilla. My father thinks he could not do without it. He has been troubled with rheumatism since he was a boy, and Hood's Sarsaparilla is the only medicine he can take that will enable him to take his place in the field." MISS ADA DOTY, Sidney, Iowa.
